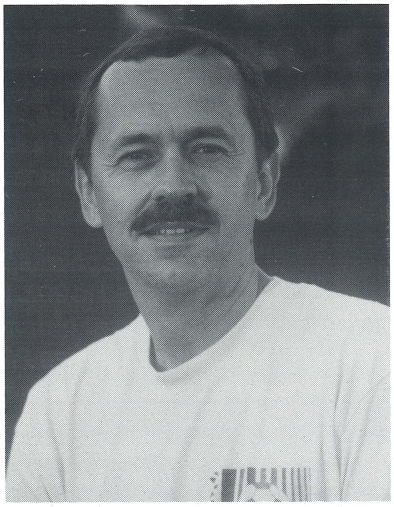
HEAD COACH — GLENN EVANS



Glenn Evans,
Head Coach, 14th year

Glenn Evans has posted a composite 147-57-3 (.710) record in 13 seasons as the head coach of Gents soccer. Evans, the pioneer of Centenary's program way back in 1975, will embark on another challenging task this season as the head coach for the school's first-ever women's soccer team.

Evans guided the Gent program from its inception through 1978, before returning at the start of the 1983 campaign. Since then, Centenary has notched nine straight .500 or better seasons, including **three Trans America Athletic Conference Championship teams**. For his and the team's efforts, Evans was named the TAAC Coach of the Year for three consecutive seasons from 1988 to 1990.

Now in his 14th year at Centenary, Evans earned a B.S. in Health and Physical Education as a Gent in 1969. He received a master's degree in Education from the University of Georgia in 1970.

A product of Herkimer (New York) Senior High, where he played basketball and baseball, Evans attended Hartwick (New York) College for two years before coming to Shreveport. He coached soccer and basketball for four years at Athens (Georgia) academy and then coached soccer and basketball at California Baptist (Riverside) for one season.

Evans, 47, is the Superintendent of Athletics for Shreveport Parks and Recreation. He and his wife, Karen, have four sons — Chad, 26; Scot, 21; Trey, 9; and Brian, 7.

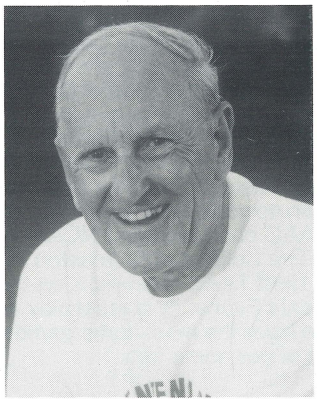
Assistant Coach — Bert Locke



Bert Locke, Assistant
Soccer Coach, 3rd year

Bert Locke will begin his third year as an assistant to Head Coach Glenn Evans in 1992. Locke was born in Portsmith, England, where he played school "football" as a youngster. When he was 21, he was called to serve in the armed forces in World War II, thus ending his "football playing days." In 1946, Locke immigrated to South Africa with is newlywed wife Rene where they settled in Cape Town. There, Locke played on club teams for a few years before getting his start in coaching back in 1952 with the Green Point Soccer Club. There he became President for a period of nine years and is a lifetime member of the club.

Locke later became junior President for the Western Province (a state of South Africa), where he coached the under-16 and colts (college) side from 1980-1986. There he coached former Centenary Soccer stars Greg Woodbridge, Richard Plant, and Jonathan Berman from an early age. During this time, Locke was selected coach for the South African under-16 teams in 1980, 1983, and 1986.

In 1987, Locke retired from the business world and came to Shreveport to spend his first season as a men's assistant to Evans here at Centenary. That year, the Gents recorded a 20-1-1 record and led the nation in goals-per-game average. Locke returned to Centenary in 1991 to assist Evans in both the men's and women's programs.

Locke, 70, lives in Shreveport with his wife Rene. They have one daughter, Carol, 35, who lives in Cape Town, South Africa.

1992 OUTLOOK

GENTS TRY TO HEAD BACK TO THE TOP OF THE TAAC . . .

For the first time in four seasons, Centenary Head Coach Glenn Evans did not have much to cheer about following the 1991 Trans America Athletic Conference Tournament. It was a disappointing year for the Gents as the three-time defending league champs suffered through a series of injuries that led to an 11-8 overall record and a fourth place finish in the TAAC Tournament.

Centenary will play perhaps their toughest schedule ever in 1992, minus five key starters from last year's squad. Gone are All-TAAC selections Scott Wright (1.29 G.A.A., holder of all but one school goalkeeping record), Curtis Partain (led the league with 14 goals scored and 35 total points to finish 21st nationally), and Adam Clark (second in the league with 13 goals and 34 total points to finish 22nd nationally). Also missing will be defenseman Mike Davenport and midfielder Steven Zeiller, who played big roles in Centenary's winning of three straight TAAC Championships from 1988-90.

Losing a talented group in the midst of embarking on one of the toughest schedules around would be cause for concern for many coaches, but Evans is very excited and optimistic about his team's chances in 1992.

"There's no question that it will be tough to replace the five starters that we lost," said Evans.

> "But I think we have a great group of guys coming back that will help us rekindle the winning Centenary tradition."

"There isn't really anyone out there that can dominate a game like in the years past, so we are going to have to play more as a team and stay healthy this season to be successful."

Evans will look to a trio of players to take up the scoring slack from the departures of Partain and Clark. Sophomore Jona Husbands, who is the top returning scorer from a year ago with 13 points (5 goals, 3 assists), will be the main target in the Centenary attack. Senior Keenan Paris, who was third on the team in scoring with 11 points (4 goals, 3 assists) last season before going down with an anterior cruciate ligament injury that he suffered with five games to go, could move up front or stay as an attacking midfielder. Junior Scott Auer, who scored his first Gent goal in the TAAC Semi-final game versus Mercer, came off the bench in all 19 games last year after transferring from Quincy College and could start at the other forward spot this season.

In the midfield, Centenary returns a veteran group to action. Serge Hudson, who is the team's third best returning scorer after totaling 8 points (2 goals, 4 assists) last season, will return to lead the charge in his senior year. Senior Jamin DePrang will look to regain the form he possessed as a freshman (17 points) and a sophomore (19 points) after scoring just one goal and totaling 6 points last season. Paris will also see minutes in the midfield, as will junior Kevin Rice, who made the transition from defense at mid-season last year. Talented sophomores Barry Straub (season-long ankle injury limited him to just 9 games played) and Charles Mentesana (3 goals, 1 assist) will challenge for starting spots.

The Gents could be the strongest in the back, as Brad Sanders returns for his senior year to anchor the defense. Centenary will also get a boost from the return of Jason Phillips, who started in all 34 games over his freshman and sophomore seasons before redshirting last season. Sophomores Josh Fairbanks and Elvir Cehajic also return to the lineup in 1992. Fairbanks started seven of the first 10 games last year before suffering a season-ending knee injury, while Cehajic played well as the team's starting stopper the last five games of the season. Mike Arne, who redshirted in 1991 due to a back injury after playing in 17 games as a freshman, will compete for a starting position along with Paul Berry, Chris Garrett, and Josh Langford. Senior Derek Steele, who switched to the defense last season after spending his first two seasons as a forward, will probably see some time at both spots.

Jeff Ramsey will take over for the departed Scott Wright in goal this season. Ramsey, a junior from Fort Worth, Texas, posted a 2.38 G.A.A. last season and shared four shutouts with Wright in only nine games played. Senior Matt Murphey, who posted a 1.53 G.A.A. in five games during the 1990 season, should also compete for time in the net.

Evans also signed several freshmen newcomers that will play important parts in Centenary's tough schedule and new conference format. The Gents will also go up against TAAC champion and NCAA Tournament participant Florida International, and conference opponents Stetson, Mercer, Georgia State, and The College of Charleston in regular season play for the first time ever. The winner of the round robin regular season schedule will be the 1992 TAAC champion, as the tournament format has been disbanded.

"It should be an exciting season," said Evans. "We must play well early, because we open up the season with three straight conference games...two of them on the road. We have the most home games ever scheduled this season (10) and that should help us in the long run because we always play well in front of our home fans."

Senior Brad Sanders will again be the anchor of a strong Gent defense in 1992, when he goes after his third TAAC trophy in four years. (Photo by Jon Reynolds)

1992 OUTLOOK

LADIES SOCCER BEGINS FIRST YEAR. . . .

In November of 1991 Centenary College President Kenneth Schwab announced to the public Centenary's intention to start a women's soccer program in time for the 1992 season. Men's head soccer coach Glenn Evans was given the task of forming a women's team from scratch. Equipped with a handful of scholarships and a small recruiting budget, Evans immediately began to scour the region for soccer talent.

Nine months, fifteen recruits and several thousand recruiting miles later, Louisiana's first-ever NCAA Division I women's soccer program came to life...starting from ground level. If ever you liked challenges, you'll love the 1992 edition (The First-Ever) of Centenary Ladies Soccer.

"This is a wonderful challenge for everyone involved in the program", adds four-time TAAC Coach-of-the-Year Glenn Evans. "You have to give these young ladies a great deal of credit. They're coming in with their eyes wide open and anxious to make their mark on the college soccer scene. It'll definitely be an uphill battle, but we have to start somewhere."

Of the fifteen Ladies that started two-a-days in August, not one has seen a minute of intercollegiate soccer action. Twelve in fact are true freshmen, two are returning sophomores at Centenary, and one has only one year of eligibility under NCAA regulations. Fifteen players for an eleven person sport...none with intercollegiate experience...no returning veterans for leadership...sounds like more than a challenge!

"If you look at it that way, you'd never walk on the field," comments Evans. "We are going to stress building a sound and solid base for our program.....and don't think for one minute these ladies can't do the job. We have some top notch recruits that could have gone to bigger, more established programs. Instead they chose to come to Centenary for a chance at immediate and substantial playing time and try to build something they can be proud of."

Evans, who hopes that past successes from the men's program will translate to the women's, has set up a challenging 17 game schedule with the likes of TCU, Southern Methodist, Texas A&M, Arkansas-Little Rock, Creighton and Arkansas. "The tough schedule provides two things for us," explains Evans. "First, it helps as a recruiting tool. All these girls want to play against the best competition we can provide for them...it was a question on all of their minds when we first recruited them. The second thing the schedule does is provide us with a test of how our program is developing. The level some of these teams are at now is where we want to be in the near future."

With a thin bench and lack of depth, the Ladies hope to remain injury free for the course of the season. "Staying fit will be a key for us this season, we just don't have a lot of girls to fill in with, " adds Evans. "We will employ the same deliberate offensive attack that we have used for the men's squad. Build from the back...one and two touch ball control...use the width of the field. If we can mark well in the back and put the least bit of offensive pressure on, we will be successful."

Success in 1992 for Centenary Ladies Soccer won't be measured in big leaps and bounds, but on the little achievements as each challenge is met...after all, it's a long way from ground level to the top of the hill.
